 - (b) Maintenance of the market shall be the responsibility of the market committee.
- (12) **Water Supply:**
 - (a) There shall be sufficient supply of potable water either from the public main water supply or from an approved source.
 - (b) There shall be adequate number of water pipe outlets for easy cleaning of the market and its premises.
 - (c) Ice used in the markets shall come from ice plants with sanitary permit or shall be made from potable water supply.
- (13) **Sewage Disposal, Drainage and Waste Disposal:**
 - (a) Sewage shall be disposed to a public sewerage system or in the absence thereof, in a manner complying with basic standards of hygiene.
 - (b) Sewer line from toilets and urinals shall not be connected with drainage line in the market.
 - (c) Proper solid waste management shall be instituted in the market. In this regard adequate number of refuse bins (separate bin or bin with separator) or refuse depository, one for biodegradable and one for non- biodegradable wastes, shall be provided in strategic places for temporary disposal of refuse before being collected.
 - (d) All receptacles/refuse bins shall be provided with tight fitting lids or covers, so constructed and maintained as to be vermin-proof and easily cleaned.
 - (e) Storage bins or refuse shall be in designated space separate from food handling operations.
 - (f) Storage bins for refuse shall be done in such a way that it shall be inaccessible to vermin to avoid becoming a potential attachment and harborage for vermin and cause of nuisance.
 - (g) Refuse shall be temporarily stored in garbage depository and collected on time as scheduled by the city or municipal collection system.
 - (h) Solid wastes shall be collected daily or more often as necessary.
 - (i) After being emptied, each container shall be thoroughly brushed and cleaned inside and outside with water and soap.
 - (j) Each market shall be shut down for 6 hours each day for cleanliness.
- (14) **Toilet and Hand-Washing Facilities:**

Adequate number of toilet facilities shall be provided with two compartments, one for men and one for women in accordance with requirements.
- (15) **Power:**

Power supply shall be connected to any approved public or community power supply system. A stand-by generator may be provided in case of power failure.
- (16) **Fire Safety Equipment/Facilities:**

Provision/installation of fire safety equipment/facilities in the market should be in accordance with the Fire Code.
- (17) **Help Desk**

A help desk and customer facilitation center shall be made fully functional and staffed by employees of the Market Committee.
- (18) **Standards and Parameters:**

For all the new markets, the land use parameters shall be as follows, with a maximum deviation to the extent of overall 10%:
